It sure was a

all my classes with you
But they aren't half as fun as
last years Biology and all the

In Memoriam

To MR. JAMES H. WARE—of whom "we remember the warmth of a loving nature that was clothed in a cheerful disposition, a friendly smile, and contagious laughter." We, the Senior Class, offer this annual in tribute to his unselfish service to our school and to our community. We value his contribution to our school as a member and chairman of the school board. "He valued the friendship of his fellowmen and the privilege of serving them in every way possible."

Our Rings . . .

For the past eleven years we have looked forward to being seniors. We have looked with respect at the seniors, with envy at their rings. Now we are seniors. Now we wear the red and gold ring of Mount Holly High School. These rings represent years of work and accomplishment. We wear them with pride.

Mascots

Susie and Dicky are indeed a charming couple. With her exuberant vitality and with his appealing reserve, they have captured the hearts of the seniors. Both are future heart-breakers!

Boys' State Award

Each year two boys from the Junior Class are chosen to attend Boys' State. The boys are elected by secret ballot by the faculty. During Boys' State week at the University of North Carolina, the boys study our city, county, state, and federal governments. To put into practice what they learn, they organize an operating government of their own. The two boys chosen from our school this past year were Randy McComell and Gordon Williams.

To be chosen Miss Hi Miss, a girl must have a high scholastic average and a pleasing personality. Geraldine was chosen by the faculty from ten girls nominated by the senior class. She was invited to spend the week-end at Winthrop College.

English Exchange Student

On August 22, 1961, Mount Holly gained a citizen—David James Priestnall from Birmingham, England. David, an American Field Service exchange student, was selected to represent his school from the many boys who applied. After David was chosen, a careful search began for his American family. The Sydney Hager family was selected.

David has adapted himself well to life in the United States (including iced tea and "The Twist"), and, except for his British accent, he cannot be distinguished from the well-known "boy next door."

"Pass and go! Pass and go! Move!" The gym is empty now; but, for the members of the 1962 girls' basketball team, it will always echo with the shouts of the coach in practice, the thump-thump of dribbling, and the cheers of the crowd at a game. Because our girls love basketball, practice sessions were never really work. Each game was a great adventure; each victory, a well-earned prize.

Long hours of practice, that tense feeling before a game, the coach's last-minute instructions, scoring the first basket, a close first-half, that pep talk during halftime, winning a hard-fought game—these are things a basketball player remembers. The Holly Hawks will remember the 1962 basketball season as one that was well-played and exciting.

Ann,

It has been so much fun having Chemistry, History and Study Hall with you this year. ~~But~~ You've made study hall under "Bugs" loads of fun. Even if you did help me get out of the Beta Club, I'll be pulling for you to get kicked out next year. This year has been loads of fun. May God bestow upon you all the happiness life has to offer.

A Friend Always,
David.

Ann,

It has been great being in your class. ^{overjoyed} I don't ^{miss} this year. ^{at all} After about a month it will be over. ^{and I will be} I wish the best of everything.

Best wishes and
good luck to a very nice
girl I have enjoyed being in
some of your classes this year.

Anne,

When do I start? The year is almost over — next year will be seniors — the year after that, who knows? This past year has been crazy. Just about everything has happened — don't you agree? I'll never forget it. I'll kind of miss having to work 2 hrs. every night on a Latin translation, won't you? I just hope we can get our little Roman house built in time.

So much has happened; I think we're supposed to be growing up, but I don't believe we've changed much in the past 3 years. I hope someday you will become a "Doc". That would be very good.

Oh, I could say much more — but time & space prevents! (See what I mean!) Best of luck in everything you do; no one deserves success more than you.

I'm going to miss being a "Methodist" next year. No one, but me, can change around as much as I do, can they?

Best wishes, always.

"Annisepta,

We had lots of fun last summer and this school year. Never forget the fun we had at the beach - our delicious pork chops! I'll certainly never forget your ST-37.

We made a dreadful mistake when we took chemistry. I guess maybe we've learned one or two things - anyway we know red devil dye is a base.

We are idiots. Never forget that day we ran all over the country looking for those box-woods for the Tr.-Sr. I guess our troubles were worth it - they looked nice even if they weren't in exactly the right place. I think I still have green paint on me.

I hope our Senior year is as much fun (chaos) as our first three years have been.

Ann.

Anne,

It's hard to believe we only got one more year to go & we'll be through high school. After all these years, we go to school together. We'll soon have our rings and then we really will be all set. Hope you get something you love for your birthday. Love, Lynn. It's time to go to class. I'll see you tomorrow.

A friend always,

Anne,

Well, just one more year to go! It has been a pleasure being in your classes these past eleven years. When we graduate, I guess we'll look back over these years and recall everything that happened. It never forgets. Now it seems pretty distant. I hope you have the best of luck and the most of happiness in the future. When you get to be a doctor, either come to you or Ben Casey with my aches and pains.

Anne,
 I have enjoyed the horror of it less than a year but I have enjoyed your home room. It has been great. We've had some good times especially going to Chaple. I didn't help our department quads any but it made the day a little brighter. I hope next year holds as much fun for us as you are. I might need help this past one did. God bless you.

Anne,
 You are destined to a very bright future, stay as sweet and as smart as you are now. I have thoroughly enjoyed being in Latin with you. I hope I am as good in chemistry as you are. I might need help!

Anne,
 Next year we'll be Seniors and I'll write a book in your Annual, but a half page will have to do for the time being.

Remember the Jr.-Sr. Boy! What fun. And the party at Mickey's afterwards. Next year I'll have a P.J. Party and we can stay up all night!

Remember the Beach Party. I really do like that S.T. 37.

Here's wishing you all the luck in the world. You are a very sweet, lovable, darling, cute, and deserving girl.

Always,

Anne,
 Well next year will be the big year for us.
 If we're all lucky we'll be big seniors! Whoops!
 Anne I've really enjoyed going to school with
 you this year and having you as a dear (or dear's)
 friend. We've really had some good times together
 here at school and at other places outside of school.
 I don't believe any of us will ever forget the Jr.-Sr.

 you for a raise. Good luck now and in the future and

Anne,

Your brief 3 years here at M.H.S. have surely been memorable ones - All the cold football games, the Latin things (too bad you didn't take it with the rest of us Juniors), the Jr. Sr. and the great Beta Convention, which I missed. Anyway, I have really enjoyed knowing you and sharing classes with you - Keep up the good work and I know you'll go far in life.

Anne,

Just think, we're nearly seniors. We have had alot of fun this year during school and afterwards. Remember the Satin try and banquet. I don't think I would have made it through Satin if it weren't for you and your transbition. I also look back at the junior - senior. How much fun I had. But, Mikey where did have alot of left overs. OH well, next year we'll be senior and that year we'll be the best. The only thing I don't look forward to is the money we have to dish out. I wish you could have ~~the~~ driven a date with us yesterday. It was fun, although he griped! all the time. Anne, you one of the nicest girls I know and you have a wonderful personality. I hope that you get from life all the happiness that it could offer to anyone. Here wishing one of my best friends a lot of luck and good wishes now and forever more.
